I believe the procedural order by the Administrative Law Judge was just docketed. You can reference that document for dates and times where these items will be discussed.

I appreciate the timely response Amanda. Chairman Stump has constituents who wish to submit their thoughts regarding Pierce #2 (REST change), and didn't haven't had that opportunity yet since it was introduced an hour before special OM last week. Thank you for letting me know it won't be on the agenda tomorrow. Do you know if/when the public will be allowed to address it?

Best,

Hello,

Item #31 is noticed for a very narrow issue concerning the letter filed by APS on January 25, 2013. Pierce #2 was withdrawn at the last OM and there have not been any other amendments filed.

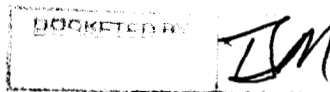

Thanks,

Amanda

Shaylin, can we expect Pierce amendment #2 on Item 31 (APS - E-01345A-12-0290) to be introduced, or is that not something we'll know until tomorrow?

Best,
